Data Engineer with 4+ years of experience in building and maintaing data pipelines and models on Big data. Possesses strong analytical skills, excellent problem-solving abilities, and a deep understanding of database technologies and systems. Skilled in python and Cloud platform operations.

Olutade Ogundele

Data Engineer

Work History

2022-02 - present

Data Design Executive

YouGov, London

- Increased product team efficiency through automating manual tasks through creation and maintenance of API operations
- Created automated web scraping process to increase efficiency of data extraction by 70% through coding and unique selenium operation
- Maintenance of several sustainable automation processes for data extraction, wrangling investigative analysis and report creation
- Developed a Python and SQL code-based project to extract, transform and present data in Power BI dashboard from Snowflake for stakeholders
- Appropriate testing and monitoring to ensure right data engineering practices and data quality
- Creative sessions with team members to develop ideas into effective new features and processes for effective data collection
- Collaborations with global stakeholders to achieve strategic goals of the company.

2021-10 - 2021-11

Data Analyst

Watt renewables, Lagos

- Saved 100 % of the company's expenditure on data visualization tool without compromising data integrity
- Collaborated on ETL (Extract, Transform, Load) tasks, maintaining data integrity and verifying pipeline stability.
- Designed data models for complex analysis needs.

2020-07 - 2021-07

Data Analyst

Vesicash, Lagos

- Identified, analyzed and interpreted trends or patterns in complex data sets.
- Synthesized complex analytics-derived insights into easy-to-understand, actionable recommendations for business users.
- Developed customized reports, summarizing and presenting data in a visually appealing format.
- Collaborated with stakeholders to identify business needs and data sources.

Education

2010-01 - 2015-12

Electrical/Electronics Engineering, Bachelor of Science

Obafemi Awolowo University, Ile-Ife

Certificates

2019-09

Introduction to Programming using Python

2021-12

AWS certified Cloud Practitioner

2023-01

dbt Fundamentals
